TSHP Research & Education Foundation Scholarships

Micheline & Bourjois Abboud Scholarship Criteria

The **Micheline & Bourjois Abboud Scholarship** is created to provide qualified non-Texas residents with an opportunity to complete a pharmacy education. The goal of the Abboud Scholarship is to promote academic excellence and to afford an opportunity for a student who moved to Texas to pursue a degree in pharmacy with financial need to reach their fullest potential.

A **\$500** scholarship is provided this year.

Applicants should:

- Be a full-time student at any college/school of pharmacy in Texas, and
- Be a member of the TSHP student chapter at their school/college of pharmacy, and
- Be in good academic standing
- Have a grade point average of 3.0 or higher in their professional coursework, and
- Have completed an undergraduate degree or pre-pharmacy coursework at a college outside of Texas, or completed of high school outside of Texas.

Additional information required during the online application process: documentation of completion of an undergraduate degree, pre-pharmacy coursework or a high school diploma from outside the state of Texas.

Austin Area Society of Health-System Pharmacists Scholarship

The **Austin Area Society of Health-System Pharmacists Scholarship** was established in 1998. The scholarship is awarded to students currently enrolled at The University of Texas College of Pharmacy in either a **professional or post-graduate degree program**. The scholarship will be awarded on “need” basis, not scholastic achievement. Members of the University of Texas Student chapter of TSHP shall be given priority over all other students. In the event that there are no AASHP members who apply for a scholarship in this category at The University of Texas, the scholarship shall be awarded to a member of AACP who is enrolled in a post-entry degree program at another School/College of Pharmacy.

A **\$1,000** scholarship will be awarded this year.

Applicants should:

- Be in the 2nd, 3rd or 4th year (P2, P3 or P4) student enrolled in the Pharm.D. program at the University of Texas, and
- Be currently working in a health-system pharmacy or have worked in one while attending the school/college of pharmacy.

Graduate Students should:

- Be enrolled in a post-entry level degree program in pharmacy, and
- Be a member of the Austin Area Society of Health-System Pharmacists.

If no applicants meet the criteria above, the Scholarship Committee will pick an alternative applicant from other scholarship applicants.

Richard Cadle Mentoring Scholarship for Pharmacy Leadership

The **Richard Cadle Mentoring Scholarship for Pharmacy Leadership** was created in 2017 after the sudden passing of the scholarship’s namesake. Dr. Richard Cadle cared deeply about mentoring the future pharmacy leaders of America as shown with his dedication to students, residents, colleagues and his extensive involvement in the Texas Society of Health-System Pharmacists (TSHP) and its Gulf Coast Affiliate. Throughout his distinguished career he started the first five residency programs at the Michael E. DeBakey Veteran’s Affairs Hospital in Houston, Texas. As a proud member of the United States Navy, he served his country by helping teach new generations of brave young men and women the value of hard work and perseverance. This scholarship is the first of its kind to be solely dedicated to helping pharmacy residents throughout Texas. Dr. Cadle provided an incredible amount of encouragement and assistance to so many people and we hope this scholarship fund will help to carry his legacy for future pharmacy generations to come.

TSHP Research & Education Foundation Scholarships

A **\$1,000** scholarship will be awarded this year.

Applicants Should:

- Be a current pharmacy resident in Texas
- Be a member of their local TSHP Chapter Affiliate
- Demonstrate compassion and spirit of helping others by being active in community service
- Demonstrate leadership qualities as evidenced by their contributions to local, state and national organizations

Preference will be given to:

- Current or honorably discharged United States servicemen and women
- Gulf Coast Chapter applicants
- Applicants from Harris, Waller, Fort Bend, Brazoria, Galveston, Montgomery, Liberty and Chambers Counties.

Central Texas Society of Health-System Pharmacists Scholarship

The **Central Texas Society of Health System Pharmacists Scholarship** was established in 2003 for a pharmacy student completing rotations in the San Antonio area. Preference is given to those students who have scheduled rotations in the San Antonio area or are from the San Antonio Area.

A **\$500** scholarship will be awarded this year.

Applicants should:

- Be an active member of CTSH, TSHP and their pharmacy school/college chapter, and
- Be a fourth year student at a Texas college or school/college of pharmacy with a minimum GPA of 2.5 or higher, and
- Be active in community service, (e.g. have organized or participated in programs with fellow pharmacy students to do hypertension screening in shopping malls or community centers, or a “brown bag” program, or has given lectures on prescription, OTC, or herbal medications at community centers.), and
- Be currently working in a health-system pharmacy or have worked in one while attending pharmacy school.

Grace Dyan Coggin MSHP Memorial Scholarship

The **Metroplex Society of Health-System Pharmacists** established a scholarship in memory of **Grace Dyan Coggin**, granddaughter of TSHP Executive Director Paul F. Davis and his wife Beth in 2009. Grace passed away at the age of 2 years, 5 months as a result of Spinal Muscular Atrophy, a genetic disease that strikes about 1 in 6,000 babies each year. About 1 in 40 adults carry the gene. SMA affects muscles throughout the body, although the proximal muscles are often most severely affected. Preference will be given to students who are afflicted with or have had to overcome a physical disability.

One **\$500** scholarship will be awarded this year.

Applicants should:

- Be a full-time student at Texas college/school of pharmacy, and
- Be a member of the TSHP student chapter, and
- Demonstrate compassion and love of humanity through community service, and
- Be in good academic standing.

Celso and Matiana M. Cuéllar Sr. Scholarship

The **Celso and Matiana M. Cuéllar Sr. Scholarship** was established in 2002 by TSHP Past President (1999-2000) Lourdes M. Cuéllar in honor and memory of her parents. This scholarship was created to provide qualified students of Hispanic heritage with an opportunity to complete a pharmacy education. The goal of the Cuéllar Scholarship is to promote academic excellence and to afford an opportunity for a student with financial need to reach their fullest potential. Mr. and Mrs.

TSHP Research & Education Foundation Scholarships

Cuéllar grew up during the Great Depression and highly valued education. They saw education as a pathway toward personal fulfillment and contribution to society, and supported their three children in aspiring to rewarding professional careers. This mantra was also passed along to many other extended family members and children within their community in San Antonio, Texas. Lourdes fondly recalls that she, as well as her siblings were “carded” – i.e. received an I.D. card to the public library as soon as they could read. Preference will be given to students of Hispanic background; if there are no eligible Hispanic students, the scholarship is open to students of other minority heritage.

A **\$1,500** scholarship will be awarded this year.

Applicants should:

- Be a full-time student at any Texas college/school of pharmacy, and
- Be a member of the TSHP student chapter at their school/college of pharmacy, and
- Demonstrate compassion and spirit of helping others by being active in school and community service, and
- Be in good academic standing. GPA may be considered in the selection process.

Lourdes M. Cuéllar/University of the Incarnate Word/El Paso Society of Health-System Pharmacists Scholarship

One of the four El Paso Society of Health-System scholarships was designated in 2009 in honor of TSHP Past President (1999-2000) and R&E Foundation President (2002-2010), Lourdes M. Cuéllar. Lourdes has been a Director of Pharmacy at TIRR Memorial Hermann in Houston for many years, and is an adjunct clinical professor at the University of Houston and at the University of the Incarnate Word Colleges of Pharmacy. She has served on many state and national Boards and State of Texas health advisory boards by appointments from Governors Bush and Perry. She has contributed to the profession of pharmacy as a leader, practitioner, educator, preceptor and mentor to many students and pharmacists. She has been the recipient of TSHP’s highest honor, the Distinguished Service Award, and is recognized as a Fellow of the American Society of Health-System Pharmacists. This scholarship honors her long-time dedication to students and pharmacy education in Texas.

The Lourdes M. Cuéllar scholarship was created to provide qualified students of Hispanic heritage, with an opportunity to complete a pharmacy education. The goal of this scholarship is to promote academic excellence and to afford an opportunity for a student with financial need to reach their goal of becoming an exemplary pharmacist practitioner. It is awarded annually to a student native to the El Paso area attending the University of the Incarnate Word John & Rita Feik School of Pharmacy. If no applicants meet these criteria; preference will be given to students from the El Paso (preferably) or West Texas ([see map](#)) area attending any accredited college of pharmacy; or other student the scholarship committee feels meets the requirements.

In addition, preference will be given to students of Hispanic background meeting the above said criteria; if there are no eligible Hispanic students, the scholarship is open to students of other minority heritage.

A **\$1,000** scholarship will be awarded this year.

Applicants should:

- Be a full-time student at the University of the Incarnate Word Feik School of Pharmacy, and
- Be a student member of TSHP or their state ASHP-affiliate chapter, and
- Demonstrate compassion and the spirit of helping others by being active in community service, especially with the economically disadvantaged or medically underserved, and
- Be in good academic standing. GPA may be considered in the selection process, and
